

6th Grade – Career Awareness
Unit 2: GACOLLEGE411 AND CAREER OPTIONS
Teacher: Keri Beth Jones

Standard(s) Covered:

- MSCA6-5: Students will participate in career-related assessments.

EQ:

- What can a career-related assessment tell you about yourself?
- What are some interesting facts about the careers that I am most interested in?

Objectives:

- Students will take an interest survey in GACollege411 to see what their interests are.
- Students will save 3 careers from their interest inventory into their GACollege411 Portfolio.
- Students will research two of their careers to see what these types of jobs require.

Time:

Activities:

Day 1 –

- Mr. Jackson and Mrs. Hubbard will be in here today to walk you through how to create an account and do a self-assessment with in GACollege411.org.
- Please follow their directions exactly in order to make this process go smoothly!

Day 2 –

- If you haven't taken your two post-tests in Zondle, please take those NOW.
- If you have taken your post-tests but would like a better grade, you can take the RETAKES posted in Zondle.
- If you are one of the top 3 people on the leaderboard for your class, you can come and get 3 pieces of candy.
- If you scored a 100 on BOTH tests, you can get 2 pieces of candy.
- If you scored a 100 on one test, you can get 1 piece of candy.
- After you have finished, please complete this worksheet about two careers that you are really interested in doing in the future: SAVE THIS TO YOUR DRIVE ON THE COMPUTER! [GACOLLEGE411 CAREER INFORMATION ACTIVITY](#)
- Save the changes you make to the worksheet above and turn in the completed sheet to the assignment posted on Edmodo.

Resources Needed/Teacher Preparation:

- Schedule for a counselor to come in to do the GACollege411 activity with the students.
- Make the GACollege411 Career Information Activity sheet.
- Update the agendas on the class website with links.
- Create an assignment in Edmodo for the students to turn in the career information sheet
