**Middle School Business & Computer Science Teachers  
Mountain View High School**

**Middle School Monday – BCS I & II – What do you do?**

**Facilitator: Keri Beth Jones    Workshop #3951            Monday, June 9, 2014**

Does your 6<sup>th</sup> and 7<sup>th</sup> grade curriculum need an Extreme Class Makeover to save you from the monotony of your teaching career? Then, come to our Tuesday session to share your own experience and learn what other teachers from around the state are doing to teach their BCS I & II curriculum. Collect thoughts and ideas from others in order to revitalize your own projects with fresh, new resources that will inspire and involve your students like never before! Arrive ready to admire and acquire as we strive to transform our classrooms from dull to delightful!

**Middle School Tuesday - Fighting for 8<sup>th</sup> Grade Standards!**

**Facilitator: Keri Beth Jones    Workshop #3954            Tuesday, June 10, 2014**

Are you really teaching the 8<sup>th</sup> grade standards or are you fighting to survive the groans and moans of 8<sup>th</sup> grade? If you are struggling to find resources to engage 8<sup>th</sup> grade students, then this is the class for you! During this 8 hour session, we are going to dive into our 8<sup>th</sup> grade standards and explore a variety of ways to teach all of these essential business concepts. Here are some of the topics we will cover: Marketing & Entrepreneurship, Accounting & Personal Finance, Business Law & Risk Management, and SO MUCH MORE! Join us as we battle and breakdown business in order to boost the benefits of our BCS III classes!

**Middle School Wednesday – June 11, 2014**

**Middle Level FBLA Workshop for Experienced and New Advisers**

**Facilitators: Linda Grooms & Ruby Ann Sawyer            Workshop #3966**

**Middle School Thursday – Assessments, Assignments, Assistance, Associations – Are we seeing a pattern here?**

**Facilitator: Keri Beth Jones    Workshop #3967            Thursday, June 12, 2014**

Is keeping up with everything you are supposed to do becoming a pain? Do you need some tips and tricks to help you manage everything you need to accomplish? Then, this is the class for you! Here are some examples of things we are going to cover during this session: Edmodo vs. Schoology, BrainRush vs. Zondle, Google Docs vs. Educlipper, PBIS, Class Dojo, BlendSpace, EverFi, and SO MUCH MORE! Join us as we try to alleviate some of the stress and impress you with these awesome tools! See you there!
